

## Future Stars Golf Academy

Two to four 1-2 hour lessons a week distributed over the course of two weeks.

At the end of each series, each golfer will receive an evaluation on their skills and a recommendation as to the next step for said junior golfer.

The program will be based on objectives that will allow the golfer to grow their game to the next level.

There are three levels of instructions. If uncertain of what level your child falls into an evaluation of their skills will be done to assure they will be put in the right level.

### Birdie

At this point the golfer should have an understanding of the fundamentals of game. This being from prior golf experience (private or group lessons). At this stage we are focusing on the mechanics of the full swing.

**Two days semi-private lessons \$99.99 per kid - 2+kids \$79.99**

**Four days semi-private lessons \$149.99 per kid – 2+kids \$125.00**

### Eagle

A class for those junior golfers who already have a good handle on the full swing, more focus will be put into the short game aspect and preparing to play a real round of golf.

**Two days one hour semi-private lessons \$99.99/ kid - 2+kids \$79.99/ kid**

**Four days one hour semi-private lessons \$149.99/ kid – 2+kids \$125.00/ kid**

### **Albatross**

These will be an advance classes for those who are ready to, or have already played competitive golf events. The focus of the class will be to fine tune all aspects of the game, and will learn golf course management.

**Four days two hours semi- private lessons \$249.99/ kid – 2+kids \$225.00/ kid**
