Taboo Muskoka Teambuilding

Nestled in the beautiful landscape of northern Ontario, Taboo Muskoka is a magnificent venue to host both engaging and enjoyable teambuilding or recreational activities for your group. From options on Taboo Muskoka's extensive set of Nature Trails to ice skating on Lake Muskoka, an activity can be customized and catered specifically for your groups size, activity level, and timeframe!

Winter Activities

Cross Country Ski & Snowshoe Outings (4 person min, 12 person per outing max)

Strap on your boots and embark on either a two ski or snow shoe journey throughout our winter trail network. Day-time and under the star options available.

Survival Skills Workshop (4 person min, 20 per session max)

Learn how to survive in the Great Canadian wilderness! This workshop will highlight firebuilding skills, shelter building, navigational tactics and how to be mentally prepared in the event you get lost or face extreme cold.

Ice Fishing (third party, fishing license required)

Drop your line into the ice and angle for pike or bass! Ice fishing is a great way to converse while waiting for bites!

Biathlon Course Challenge (2 person min, 12 per outing max)

Test a range of skills and your endurance in the Taboo Biathlon! Cross country ski through a marked course with target challenges along the way.

Winter Olympic Extravaganza (10 person min, no max)

Let the games begin! The Winter Olympic Extravaganza is Taboo Muskoka's ultimate winter event. Choose from a variety of challenges, combining and creating a customized agenda for your group. Options ranging from toboggan races to human curling, snowman building to igloo challenges, trivia and more!

Alternate third party options such as snowmobile rentals, local brewery tours, sightseeing tours, and off property visits to local businesses or shopping areas can be arranged. Don't see something that appeals to you? We would be happy to discuss a customized option for you and your group! All activities are subject to appropriate weather. Max per outing trips may be scheduled back to back.
